DIARY JOTTINGS

Looking back, April is the month most C of E churches hold their APCM (Annual Church Parochial Meeting). It is here that church members receive reports from the vicar and other PCC officials concerning the preceding calendar year.

It seems amusing that we have to live with different “years” for different purposes (calendar, academic, financial). Of course, the last of these can be any sequence of 365/366 days the organisation chooses. Trust the accountants to complicate things!

Anyway, at St. Michael’s this year we are holding our APCM as late as possible, during the morning service on Sunday 28 April. Reports are given in a written form. This can prove difficult as they relate to a period that ended four months before and those of us writing them have to somehow suspend our memory to avoid mentioning things that have just happened! Collated copies of the annual reports are available in church.

It is at the APCM that elections are held for vacancies on the PCC and for the Churchwardens.

This year, churches’ electoral rolls have to be renewed. Being on the roll means that you are officially a member of the Church of England and have a right to speak and vote at the APCM (and to serve on the PCC). You don’t have to wait for roll renewal time to join. You can do this at any time.

If you would like to know more about any of this, do speak to Glyn, our vicar, or to one of the Churchwardens at St. Mary’s or St. Michael’s. Any regular church attender will point them out to you if you don’t know them.
