DIARY JOTTINGS

I remember writing June's jottings in mid-May looking forward to a blazing June while we shivered in unseasonably low temperatures. I now sit here in June enjoying a break in the persistent showers, yet thankful we have escaped one of the multiple flood warnings being endured elsewhere in the UK.

So again, let us hope that by the time you read this, summer will have finally started! The rain so far this year has caused the abandonment of a record number of matches at the Cricket World Cup. If it continues it will also affect Wimbledon. It always baffles me that, although we suffer more than many countries with rain, we managed to invent not one but two sports that generally can't be played in the rain – cricket and tennis!

Thankfully, most of the benefice's key events in late June and July do not rely on the weather.

Sunday 30 June 6pm

St. Michael's Church choir joins the choir of the West Buckrose Benefice at Leavening Church for a special evensong service.

Wednesday 24 July 7pm

St. Michael's - What is Dementia and what does it mean to us all? A talk by Rowena Mayman, manager of Deansfield Court. Includes refreshments.

Friday 12 July 7pm

St. Michael's Summer Concert – join us in church for some light-hearted entertainment and be amazed by the variety of "talents" on display.
